PARTICIPATION ACTIVITIES and MARKING- MBA51013

Below is a schedule of the activities that make up Participation.

1. Assignment 1: (Individual-Online-)Total marks 10

All students are to attempt a minimum of three (3) quizzes. Your quizzes grade will be made up of your 3 best results from all the quizzes attempted. You have one attempt per quiz and 1/2 hour to complete it. Quizzes will be automatically marked on-line and you will see your results on completion of the quiz. **Due date of the As1 will be on 17th Oct 2015. –**

Responsible lecturer-Prof. A. Jayamaha

2. Assignment 2: (Individual only soft copies)Total marks 15

A project is also to be completed in individuals. Each student will select a company. Your task will be to gather, as a minimum, financial statements from the companies' most recent. You may supplement these with additional data from any public sources if they help you generate further insights. After analyzing the financial reports in depth, student should be able to answer the questions required.

Each student will submit a written report (as the format in the instructions) to the **assignment 2 drop box** of their findings by **21st Nov 2015. No hard copies accepted.** (Details see assignment 2 instructions)

Responsible lecturer-Mr. Saman Bandara

3. Assignment 3: Total marks 15

Complete by 15th Dec. 2015. Details will be notified later.

Responsible lecturer-Mr. Mudith Sujeewa
